FDA Letter / Product Guarantee

We guarantee that the polyethylene film products offered for sale by hempnac which are designated FDA Approved, conform to the applicable regulations to the Food and Drug Administration [21 CFR 177.1350 and 178.2010] for use in the manufacture of articles intended for contact with food under conditions of use C through G described in Table 2 of 21 CFR 176.170.

The foregoing is based on the provision that the above referenced film is used in its unadulterated state and in accordance with good manufacturing practices.

Sincerely,

*Scott Hamilton*

Director of Quality Assurance and Food Safety
